Prairie Ridge High School
Athletic Consent and Permission Form

Insurance: School District #155 has not offered student insurance since the 1982-83 school year. The school does not carry health or accident insurance on students. If parents desire this type of coverage they will have to obtain it through a family/individual policy.

I am aware and understand the risks involved in athletic participation. I give my consent for the student-athlete named below to participate in athletic activities sponsored by the school.

By signing below, I give permission for my child to participate in the student activities program. I am aware that the school does not make student insurance available and that the school is not liable for any injuries my child may receive while participating in student activities. I further consent to any treatment deemed necessary by a licensed physician designated by the person in charge, for any illness or injury resulting from his/her participation in student activities. I understand that every effort will be made to notify the parent/guardian to explain the nature of the problem prior to any involved treatment.
