Due to processing schedules, we will complete the rosters and have the players sign them as soon after the last try-out as possible. You players may be asked to remain at the rink after try-outs to complete the rosters.

In addition USA Hockey/AHAI registration applies to any team your child plays on. It is a one time fee, so even if your child plays for a team other than Prairie Ridge the same USA Hockey/AHAI registration that PR requires, will be required by the other team.

To register, you need to go to [www.usahockey.com](http://www.usahockey.com) and click on players or coach. From the drop-down menu choose the “register, online” button. Then choose “Ice players & coaches.” At this point you need to select that you are 18 years or younger. Then select the correct season that you will be playing in the Fall. Follow the prompts and fill in all data correctly. Payment can be made using a Visa, Mastercard, Discover or American Express credit or debit card.
